5. Comparing two ChatGPT marketing plans

Difference	General startup plan	BookMyShow-style plan for college students
Target audience	Broad audience	Specifically college students
Marketing channels	General SEO, ads, email, social media	Instagram, campus influencers, student communities, WhatsApp
Offers/content	General discounts and promotions	Student discounts, group-booking offers, movie memes, campus contests

Which plan is better?

The **BookMyShow-style plan targeting college students** is more suitable because it has a clearly defined audience and uses channels that college students frequently use. Its offers and content can also be tailored to students' interests, budgets, and social habits.
